Autenticação segura

The screenshot shows the LyseonTech security settings page. At the top is a blue header with the LyseonTech logo, navigation icons (folder, calendar, people, menu), and a user profile icon. Below the header is a hamburger menu icon. The main content area is divided into three sections: 'Two-Factor Authentication', 'Server-side encryption', and 'Password policy'. Each section contains a brief description and a checkbox to enable the feature. The 'Password policy' section includes a text input for 'Minimal length' and several checkboxes for password requirements.

Two-Factor Authentication

Two-factor authentication can be enforced for all users and specific groups. If they do not have a two-factor provider configured, they will be unable to log into the system.

☐ Enforce two-factor authentication

Server-side encryption *i*

Server-side encryption makes it possible to encrypt files which are uploaded to this server. This comes with limitations like a performance penalty, so enable this only if needed.

☐ Enable server-side encryption

Password policy

Minimal length

- ☒ Forbid common passwords
- ☐ Enforce upper and lower case characters
- ☐ Enforce numeric characters
- ☐ Enforce special characters
- ☒ Check password against the list of breached passwords from haveibeenpwned.com

Segurança

Arquivos podem ser encriptados no servidor.

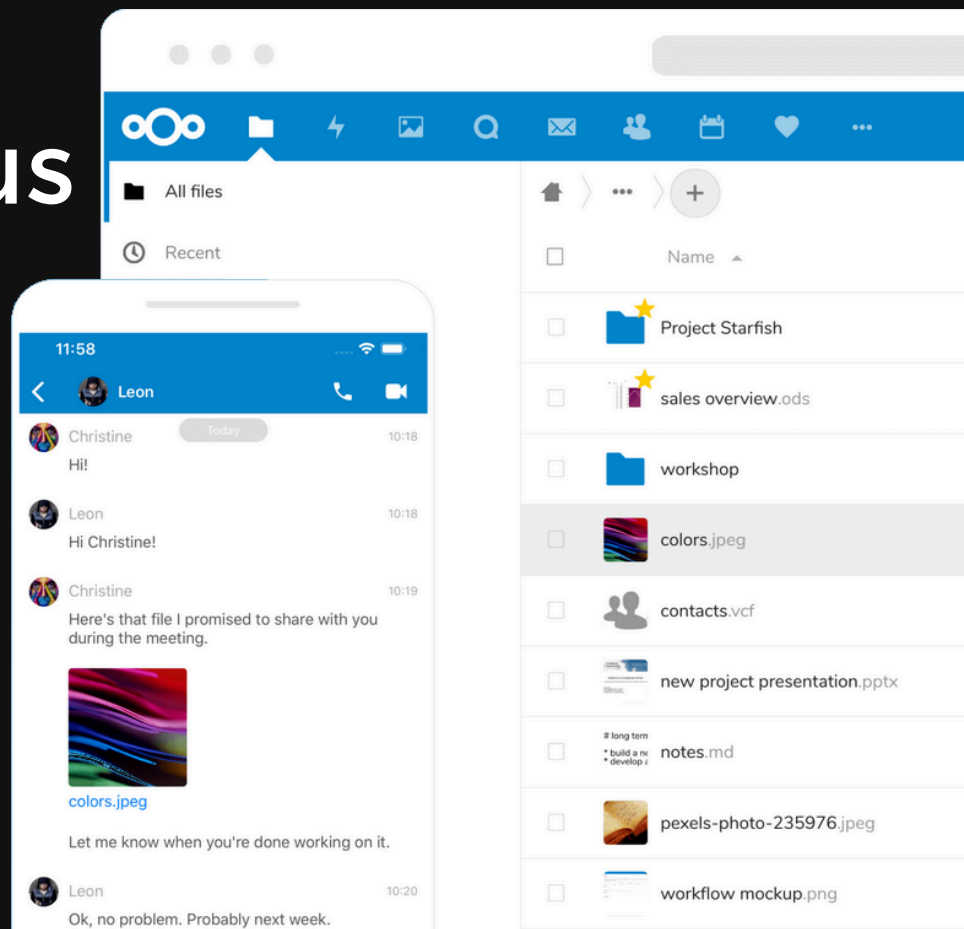

Dados sempre trafegam encriptados

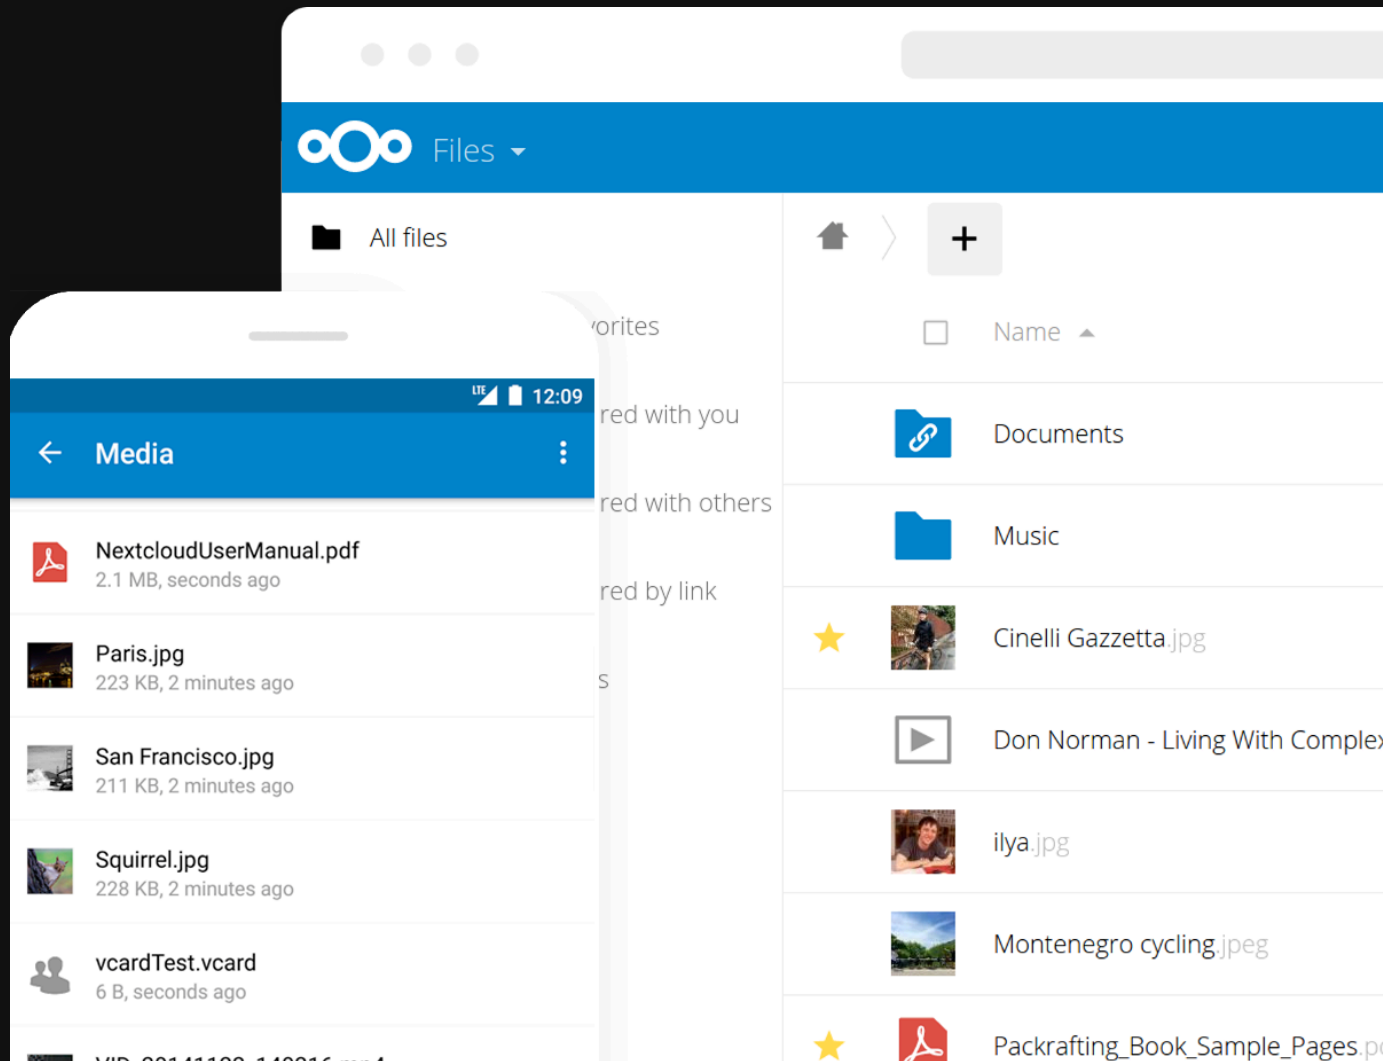

Protegendo seus dados

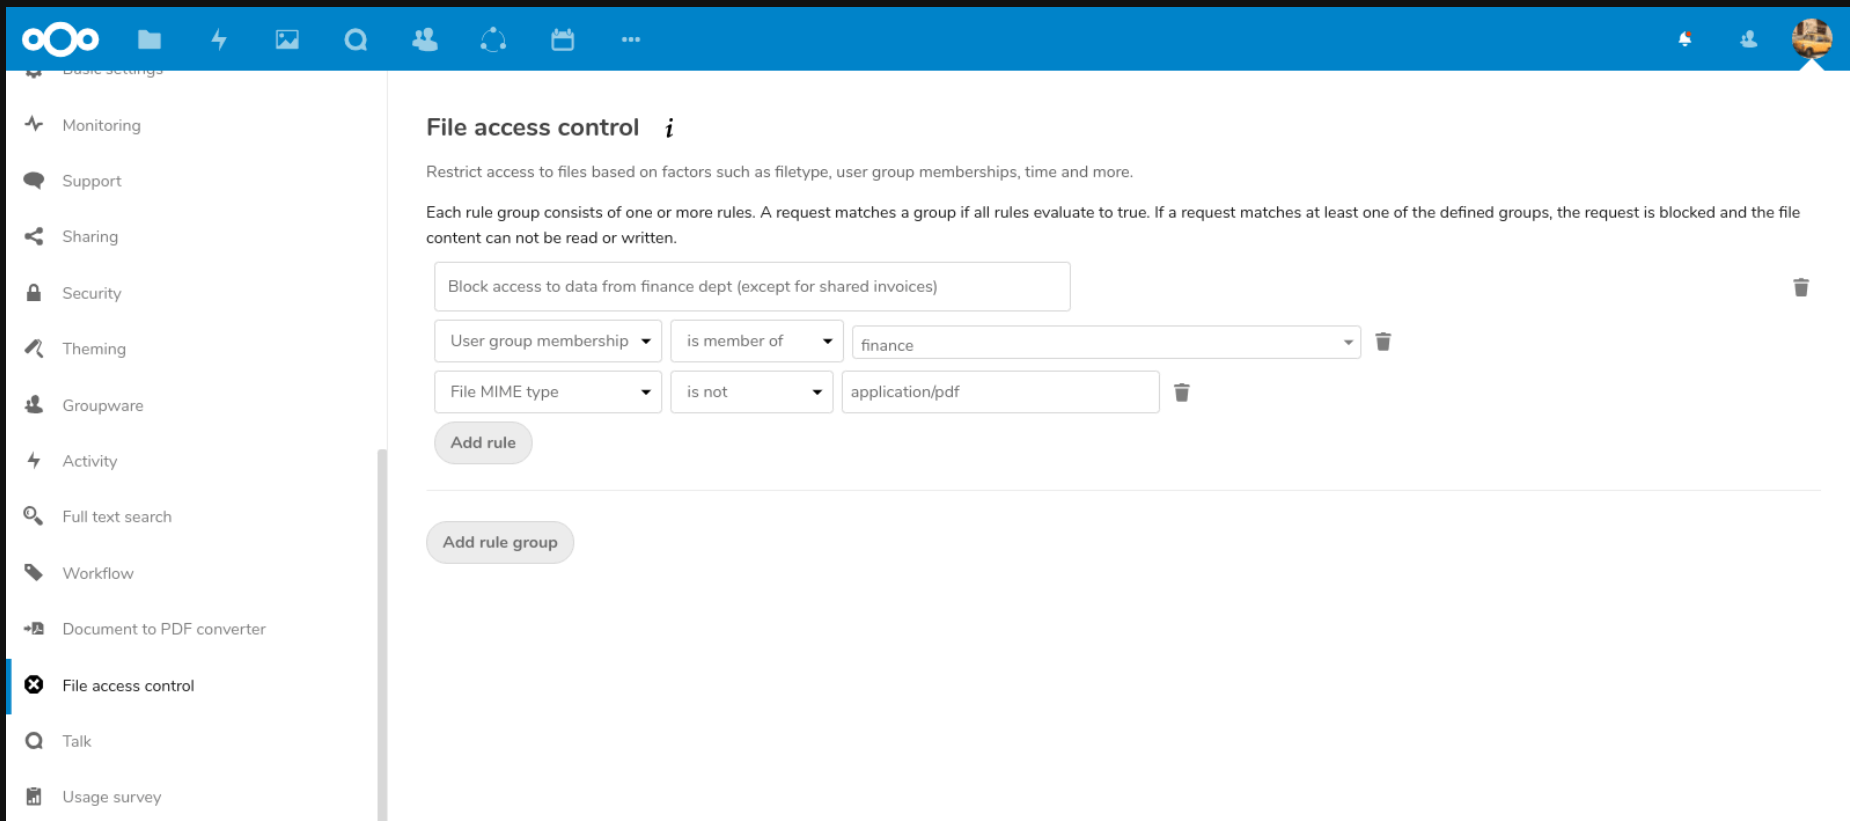

A plataforma hospedada em seu próprio servidor que mantém você no controle

O Nextcloud Files oferece uma plataforma universal de acesso e sincronização de arquivos no local, com poderosos recursos de colaboração e interfaces de desktop, móveis e web.

Controle de permissões

The screenshot shows a software interface with a blue header bar containing icons for various functions. On the left is a sidebar menu with options: Basic settings, Monitoring, Support, Sharing, Security, Theming, Groupware, Activity, Full text search, Workflow, Document to PDF converter, File access control (highlighted with a blue bar), Talk, and Usage survey. The main content area is titled "File access control" with a help icon. Below the title is a descriptive text: "Restrict access to files based on factors such as filetype, user group memberships, time and more." and a paragraph explaining rule groups. There is a list of rules, with one rule visible: "Block access to data from finance dept (except for shared invoices)". This rule has two conditions: "User group membership" is "is member of" "finance" and "File MIME type" is "is not" "application/pdf". Each condition has a trash icon to its right. Below the rule list are two buttons: "Add rule" and "Add rule group".

File access control ⓘ

Restrict access to files based on factors such as filetype, user group memberships, time and more.

Each rule group consists of one or more rules. A request matches a group if all rules evaluate to true. If a request matches at least one of the defined groups, the request is blocked and the file content can not be read or written.

Block access to data from finance dept (except for shared invoices) 

User group membership ▼ is member of ▼ finance ▼ 

File MIME type ▼ is not ▼ application/pdf

Agenda online

The screenshot displays an online agenda application. At the top, a blue header bar contains icons for home, folders, images, a lightning bolt, search, email, contacts, and a calendar. Below the header, a navigation bar shows 'Week 3 of 2020' with left and right arrows, a '+ New event' button, a 'Today' button, and a list of calendars: 'Personal' (purple dot), 'Work (Christine Schott)' (orange dot), and 'Personal (Christine Scho...)' (purple dot), each with a profile picture and a link icon. A '+ New calendar' button is at the bottom of the list. The main area is a calendar grid for the week of January 12-14, 2020. The left column shows time slots from 'all-day' to '12:30pm'. The 'Sun 1/12' column is mostly greyed out. The 'Mon 1/13' column has two purple events: '10:00 - 11:00 management meeting' and '11:00 - 12:00 Discuss office furniture'. The 'Tue 1/14' column has three purple events at the top: 'Line Dance Training', 'Line dance training', and 'Line dance training', and a pink event '11:00 - 12:00 Company call'. The 'Wed 1/15' column is empty. A share icon is in the bottom right corner.

Gestão de contatos

The screenshot displays a contact management application with a blue header bar containing icons for home, folders, search, contacts, calendar, settings, and a menu. The left sidebar features a '+ New contact' button and a list of contact categories: 'All contacts' (212), 'Tech' (15), 'University' (11), 'Cousins' (20), 'Office' (11), 'Teachers' (9), and 'Family' (6). The main contact list shows entries for 'ABC Marketing ORG' (two entries, one with a trash icon), 'Abdul Carrión' (two entries, one with a trash icon), and 'Aðalbjörn Snorrason' (two entries, one highlighted). The right panel shows the detailed view for 'Aðalbjörn Snorrason', including a profile picture placeholder, the name 'Farmer Jack', and a form for 'Detailed name' with fields for Prefix (Mr.), First name (Aðalbjörn), Additional names, Last name (Snorrason), and Suffix.

Edição online de documentos

DOC, DOCX, PPT, PPTX, XLS, XLSX + ODF,
Import/View Visio, Publisher e outros

The screenshot displays the Collabora Online web interface. At the top is a blue header with the Collabora Online logo and a user profile icon. Below the header is a menu bar with options: File, Edit, View, Insert, Format, Tables, and Help. A toolbar follows, containing icons for saving, undo, redo, and various text formatting options like bold, italic, underline, and strikethrough. The main editing area features a large banner with the text "Collabora Productivity" and "Collabora Online v 2.1". Below the banner, there is a paragraph of text: "Collabora Online: the enterprise-ready LibreOffice-based Online Office Suite that allows you to stay in control of your own documents. full control of your office files". To the right of the main editing area, there are two comment boxes. The first comment is from "john" dated "Thu Apr 27 2017" and says "Insert ' v 2.1' Good to add the version number". The second comment is from "jane" dated "Thu Apr 27 2017" and says "Can we add the version number here". At the bottom of the interface, there is a "Paragraph" toolbar with options like Indents & Spacing, Alignment, Text Flow, Asian Typography, Outline & Numbering, Tabs, Drop Caps, Borders, Area, and Transparency.

Videoconferência

The screenshot displays the Nextcloud Talk interface during a video conference. The top bar is blue with the Nextcloud logo and navigation icons. Below it, a search bar says "Choose person ...". A list of participants is on the left, including "Discuss Nextcloud...", "Press informatio...", "Mario Danic", "Nina Cery", "Sales Weekly call", "Mathias Conradt...", "Sales", "Collabora plans", "Company Call", "Frank Karlitschek", "Ivan Sein Santiago", "I have renamed t...", "You", "tomaz", "F-Droid", and "Lukas Reschke". The main area shows a video feed of "Vanessa Steeg's screen", which displays a document titled "Control over data flow" with sections on "Logging and monitoring", "Permissions", "HMC granted HMC Access Control", "Link policy", "Virus scanning", and "Data Management". The bottom of the screen shows four video thumbnails of participants: Patrick Walther, Vanessa Steeg, Mathias Conradt, and another person. The right sidebar contains a "Discuss Nextcloud Talk" header, a "Leave call" button, a "Share link" checkbox, a "Set password" input field, a "Chat" section, and a "Participants" section listing "Jos Poortvliet (moderator)", "Mathias Conradt (moderator)", "Vanessa Steeg (moderator)", "Patrick Walther", and "Guest".

The screenshot displays the GitHub repository page for 'nextcloud / server'. At the top, the repository name is shown with a 'Sponsor' button. To the right are buttons for 'Watch' (437), 'Star' (9k), and 'Fork' (1.6k). Below these are navigation tabs: 'Code' (selected), 'Issues' (2,055), 'Pull requests' (120), 'Actions', 'Projects' (6), 'Wiki', 'Security', and 'Insights'. The repository description states 'Nextcloud server, a safe home for all your data' with a link to 'https://nextcloud.com'. A series of topic tags follows, including 'open-source', 'file-sharing', 'enterprise', 'sharing', 'collaboration', 'cloud', 'nextcloud', 'self-hosting', 'decentralized', 'federation', 'free-software', 'federated', 'distributed', 'owncloud', 'javascript', 'php', 'ux', 'design', 'usability', and 'opensource'. At the bottom, statistics are listed: 51,539 commits, 129 branches, 0 packages, 541 releases, and 642 contributors, with a 'View license' link. A progress bar is visible at the very bottom of the repository section.
